SPECIAL EVENT
Rising Stars Concert

Sun. Feb. 16, 7:30 pm, Haus Der Musik, Constitución #112, Ajijic, Tickets \$300

This special event is to help raise scholarship money for students attending our new summer Academy, Festival del Lago. The Festival del Lago is an intensive two week summeracademy for advanced music students in August in Ajijic. Put together by the organizers of Northern Lights Festival de Febrero, we just had our second year this past August. We invite faculty members from some of the most prestigious universities in the world, including the Royal Academy of Music in London England, the Scandinavian Cello School in Copenhagen, McGill University in Montreal, Cleveland Institute of Music and the University of Toronto. Students come from Canada, the United States, Mexico, Iceland, Holland and South Korea. The positive impact it has generated among the students (especially those living in Mexico) and the audience that witnesses it cannot be overstated. The students leave the Festival with new friends from all over the world, inspired to practice harder and better and with a greater positive outlook for their future. At this event, we will feature students who have been in residence at this Festival.

Tickets are available at the door one hour before all concerts.

The show is a very unique multimedia show with a large screen and movie clips playing behind the singers. The show is called CineMusic and has lots of great movie music, from such movies as Gladiator, Godfather, Ghost, Dirty Dancing, Pearl Harbor, Disney and Armageddon. Everyone from Fred Astaire in 1935 to Lady Gaga in 2018. It is light-hearted with just a bit of narration and very moving as well. And there will be a surprise appearance by Marilyn Monroe.
