

It's tough when you miss musicians you used to perform with. But if you miss them, it means you were **very lucky**. You had amazing people in your life to share your passion for music with. Not everyone gets that.

## We miss Jimmy Barto!

We all miss Jimmy... Paul, Bob and I from The Great American Songbook... The Whippersnappers... all the folks at the different Open Mics... his large adoring audience... the clubs he played in... everybody misses Jimmy!

My wife and I were the last ones to see him as we dropped him off after his last gig... everything seemed fine and he had a super night playing.

Diana and Javier at La Bodega are making the plans for a Celebration of Jimmy's Life on March 24<sup>th</sup> starting at 4 PM. Javier is putting extra seating on the lawn beside the dance floor and there will be a whole bunch of Jimmy's "people" there to pay their last respects to a great musician and a tremendous guy.

Call 376-766-1002 for reservations.
