

## It's Gone Way Beyond Fun!

I am looking at getting some funds together so we can all help out the professional Mexican musicians that have been out of work for a little over a month... if they went back to work tomorrow they are behind and it's tough to get caught up.

I already have things rolling in taking up a collection to make life better for these players that have made our lives better over the years. What I'd like to see is for just 100 of you to step up and donate just 1,000 Pesos (or more if you'd like or can). **Paul Brier** and myself are putting together a list of these fine musicians and are going to give them a bit of relief during this crazy time in all of our lives.

These guys and gals do not work at other tasks, they have been doing okay with some doing multiple gigs in a day.

When I started doing this over 7 years ago, one of my main goals was to make things better for the local musicians and whether I had anything to do with it or not... things got better. They weren't making the big bucks but they were getting by... thanks to YOU... the audience!

The banks are an essential service and as it doesn't work well to see each other face to face, we still have the account at **O'Rourke and Associates** next to Black's Coffee Gallery in the **Laguna Mall** across from Walmart. The account number is **5057575**... Please help these very talented people and their families out. If you don't want to go out please see the instructions below.
