

Your last www.musiciansunite.com gig was....

**March 10th!....
Don't know when the next one is...**

That's a long time and a real drag but Paul is up in Austin, Texas getting some medical things done and last we spoke (a couple of days ago) he is getting his left pinkie fixed... he was playing a piano and guitar but hasn't tried saxophone yet. He and his "fiancée for life" are doing fine.

Bob is in town but pretty well home bound as he does have some underlying conditions that doesn't leave things right for him... he and his lovely wife are doing fine.

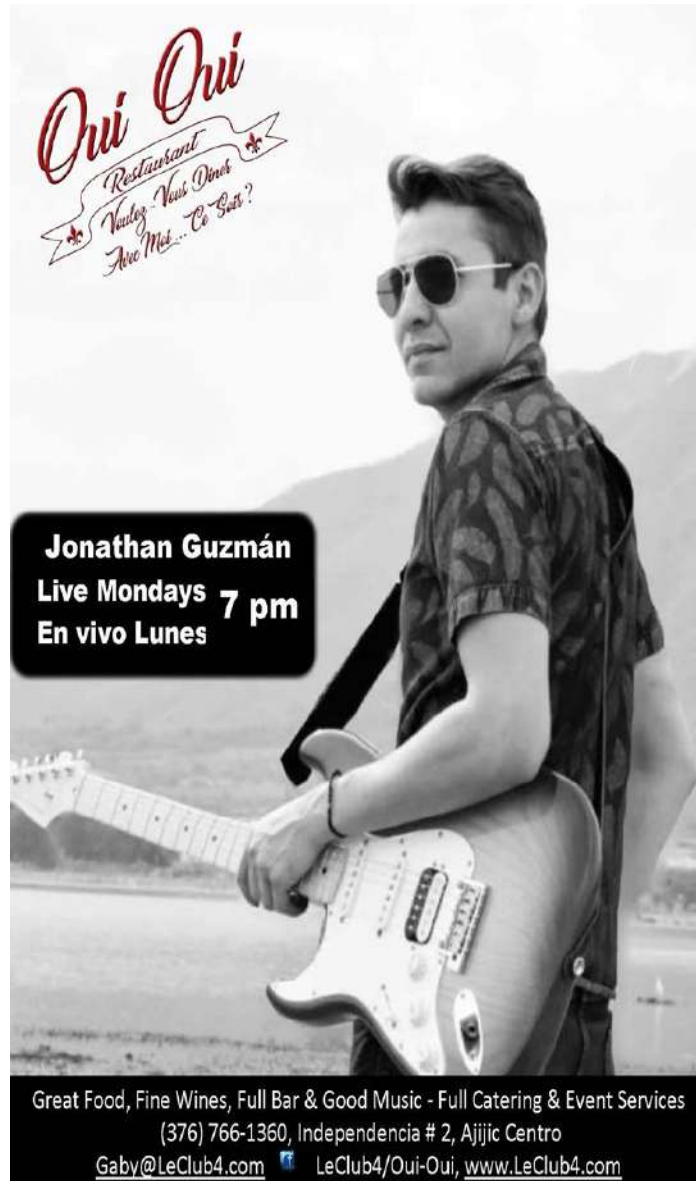

I am keeping busy but miss playing with my friends and the fun we had... an awful long "intermission"... my great lady and I are doing fine too
