

What's goin' on?

We are slowly getting back but there are still set backs such as the **Los Amigos Big Band** concert scheduled for Wednesday at Mama's Music Bar has been cancelled... but fear not fun lovers... there's lots else ¡Que Pasa!

I was talking to **Paul Brier** today and he and Nancy are still up in Texas... he's looking forward to playing again but no word when that is going to happen.

Your valued support of the restaurants that are trying to make a go of it with 35% capacity really need you to get in and have some fun... my wife and I are getting out 3 or 4 times a week and we look forward to seeing you somewhere... SOON!

“Always Have Fun!”

I might just get to bed a little early tonight... I may have to change the Sunday midnight deadline to a little earlier. When I am finished putting this together at usually after midnight... I make it into a .pdf, compress that .pdf because the file is way too large. I post it on my wife's web site and then I send an e-mail to the other 4 web sites. When I get up in the morning (not at the crack of dawn I can assure you) I check on the other web sites and then send out the 1,800+ e-mails letting you know how and where to find it.

But it's a "labour of love" and I thank you all for supporting my endeavours and more importantly the clubs, restaurants, and performers in our wonderful little paradise...!

See you somewhere... SOON!

**Regards,
Francis Dryden**
