

“Music allows people to get closer to each other. It is a great barrier breaker in our lives. Just think of all the people that are in your life because music brought you together.”

And that my friends...
Is the whole truth!

I so miss our Tuesday night gigs at La Bodega with Paul Brier and Bob Myers... the last night we played was March 10th. When we get back we are going to do a Celebration of Life for our dear friend Jimmy Barto who passed away February 18th. we will remember him forever... and a day!

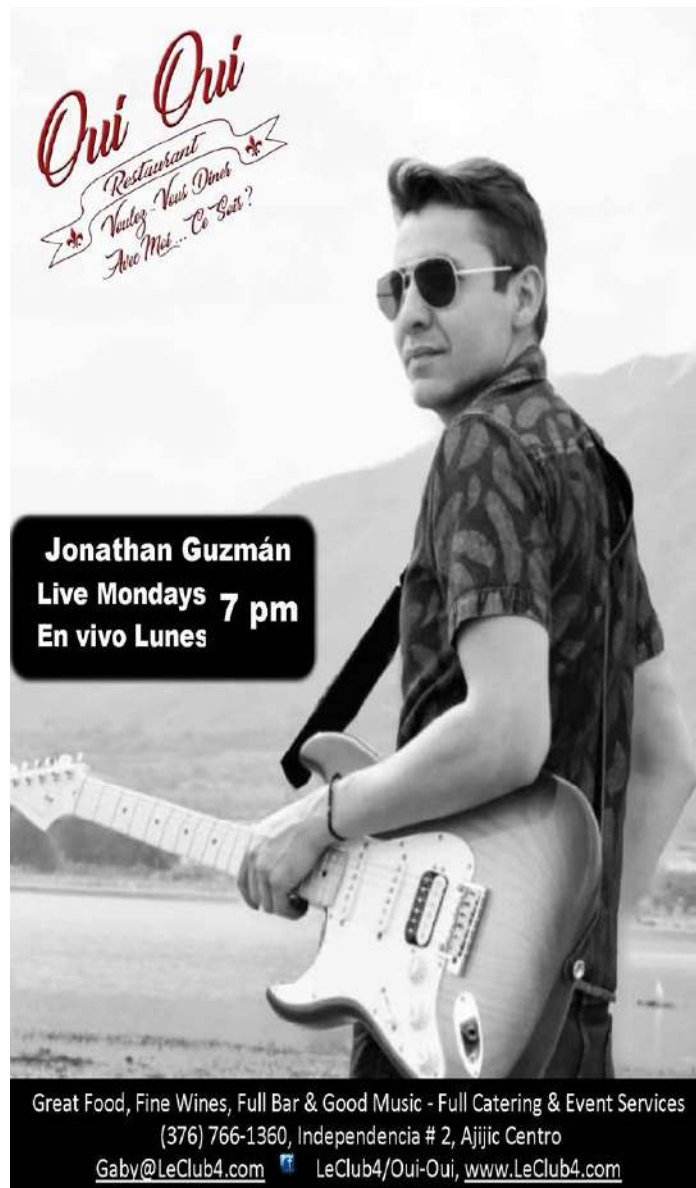

I hope it is soon!

What follows is a series of twists and turns, love and laughter... and a winsome neighbor named Charlie.

I've been down to the Open Mic with The Aloha Band on Wednesdays and have sat in for a few tunes with the guys for which I am very thankful... try it... you'll like it!

Hope you get out and enjoy some of these musicians that are playing their hearts out for you and the clubs that are trying to stay alive with 35% seating... tough going! But as is often said, "When the going gets tough... the tough get going!"

See you somewhere... SOON!
