

It's just music they say. But, it's not *just music*. It's family. It's how people feel alive. It's their safe haven, where they go to escape the world, even for a little while. **Music is so much more than people realize.**

**Make a point of going out...
And hear some music this week!**

We are lucky enough to get out a lot even though I haven't played except for some very appreciated "sit ins" from a couple of groups. I was out tonight and heard a band I hadn't heard and was quite impressed... it is always great to run into something you hadn't heard before... and sit and wonder why... anyway... an especially good night and a lot of fun.

Jump in... the water's fine!

Upcoming Events

Hola Orchestra Supporters

We hope you are all well despite the pandemic restrictions.

As you are aware the orchestra has been unable to rehearse since the pandemic crisis began back in March.

Life without live music is a hard thing to live with for most of us so we have formed a 12 piece chamber ensemble from orchestra members with a view to mounting small, socially distanced performances.

We have found a venue that is perfect for this kind of concert, one that is open on two sides thereby creating an excellent airflow for audience and musicians alike. The venue has a license from the municipality to present small artistic productions at no more than 35% capacity.

We experimented with this a month ago giving two concerts where a small audience was temperature checked, given hand gel and with everyone wearing a mask during the performance. Each seat was 1.5 meters apart in each direction. It was a success from all angles and we are now delighted to inform you that we will be mounting a Christmas concert next month where we can all enjoy some seasonal cheer. Let's face it we all deserve some of this!

The concert dates are:

Friday December 11 at 3pm
Saturday December 12 at 3pm

The venue is the Unitarian Fellowship/Bare Stage facility at 261 Hidalgo (which is the Carretera mountainside) Riberas.

Seating is limited to 35 people only per performance and reservations must be made in advance via email. There is no admission charge and no physical tickets will be issued. If you would like to reserve seats please send an email to lccotickets@gmail.com or mjrmusic01@gmail.com. Please state which day you would like and how many seats you would like to reserve. Because seating is limited it will be first come first served. All successful reservations will receive a confirmation email.

The concerts will feature seasonal music/readings and our guest singer will be the very talented Laura Medina. In addition we will celebrate the 250th birthday of Beethoven with a special arrangement of his Fidelio Overture. (Beethoven's birthday falls on December 17 2020).

The orchestra looks forward to sharing the joy of live music and a celebration of the season with the community.

Best regards
Michael Reason
