

**“When you spend your life in music you may not always end up where you thought you would, but you’ll always end up where you’re supposed to be. Because a life in music is a life very well spent.”**

Now that I think of it...  
Truer words never spoken!!!

If anyone had told me when I was 12 years old and started gigging that I’d wind up in Mexico at 78 still playing?... I would have told them they were nuts!

I have never regretted any of it... well maybe some things didn’t go quite right along the way... but ending up in Mexico is absolutely perfect! I love Mexico!... can you tell?
