

I received this request from...
Michael Reason, Conductor of
The Lake Chapala Community Orchestra!

The **Centro Regional de Estudios Musicales** (CREM) is a local organization based in Ajijic whose music education activities are directed at children and teenagers of the Lake Chapala area. Their mission is that music education is accessible to anyone with an interest in the subject regardless of their family or economic situation. Annual scholarships are awarded to many students who do not have the ability to finance their own tuition.

CREM is now facing financial hardship due to pandemic restrictions preventing live concerts. Live concerts have always been their mainstay of raising the necessary funds to sustain expenses such as faculty salaries, instrument maintenance, scholarships and administrative overheads.

Parents of students pay an annual tuition fee for their children but this has fallen short due to the current economic conditions of the pandemic.

The Lake Chapala Community Orchestra has organized a **GoFundMe** campaign in order to assist CREM in maintaining its educational activities that mean so much to the students involved. If you would like to support this initiative please go to the link below to donate to the campaign.

<https://www.gofundme.com/f/Keep-The-Music-Playing-in-Lake-Chapala>

On behalf of **CREM** I thank you for your contribution knowing that it will provide continuing musical training for the young people of this area.

Thank you for your consideration.

Michael Reason, Conductor, Lake Chapala Community Orchestr

A photograph of three people standing in front of a bar. On the left is a man with a shaved head, wearing a black suit jacket over a white shirt with a black patterned tie. He is holding a black hat over his head with his right hand. In the center is a woman with long dark hair, wearing a black top and a chunky necklace. On the right is a man with glasses, wearing a white shirt, holding a trumpet. They are all smiling at the camera. The background shows a bar with various bottles and greenery.
