

# MUSIC MAKES THE WORLD A BETTER PLACE

Always remember that...  
Please!

... and remember that musicians must make money to be able to continue... so do the venues that present them... so do the staff that serves you! You are the one that is enjoying everyone's work and thereby the one that pays.

If you are going to a venue to spend the night on the dance floor, not order anything, not pay a cover or buy food... why not put a record on at home and stay there.

I watched a big table empty tonight where quite a few people sat at, didn't eat, drank water and of course no tip for the waiters or

the band and leave... not nice, not cool and shouldn't be happening!... especially in this period of time with limited seating.

You know who you are and you know what you do is unacceptable... so just stop it OR stay home.

The first two episodes featured conversations between **Rufus Norris** and **Olivia Colman**, and **Jessie Buckley** and **Josh O'Connor**, and are available to catch up on now for free on the National Theatre's YouTube Channel.

New episodes released at 7pm BST each Thursday (1:00 pm Ajjic time). Here are some links to the different episodes currently available.
