

My great friend... Drummer extraordinaire...  
And rising star in the art world!

Everyone knows and loves Chelo Gonzáles... he's the best drummer I've ever met and I have been playing for 66 years! Not only that but he is my very favorite artist ever as well!

Now here's the big news!... Chelo has had a dozen or so paintings sell in France!... and is making a trip there, leaving here on July 28<sup>th</sup>! He will be visiting Chantal Picard who has an art gallery on Independencia in Ajijic and two in the south of France.

Chelo has already sold paintings to the US and Canada... but this is very, very special and I believe he's going to do big things.

If you have a Chelo painting now... treasure it! If you get a chance to buy one soon... jump at it... the stock will hopefully be "going through the roof!" Si Señor!
