

Individual Practice vs. Band Rehearsal

www.musiciansunite.com

Band rehearsal is not the time to learn your part; it's the time for everyone to learn how to play their individual parts - together!! Don't waste anyone's time. Practice on your own, come to rehearsal prepared and watch how quickly the whole band can improve with proper preparation!!

Got all set to go on the new computer and a whole bunch of stuff didn't transfer... lucky we didn't empty the old one! With the kind help of the great venues here... we got it done. Some of the clubs are not here but they must get their stuff to me on Sunday the week before and some just leave their bookings too late.

See you somewhere... SOON!
