

Here comes the band!...  
We start unloading

A lot of people believe the band just shows up and plays... far, far from it! First the instruments all have to be loaded up, drive to the venue, set it all up, do the sound checks and have a few minutes to relax before "it's time to go"... hopefully you didn't forget anything.

And then load it all back up and unload it again when you get home... in total probably as much time as you do playing the gig. People forget about this end of "all the fun playing music"!

## PLAY SELECTION FOR SEASON 58 2022 – 2023

### *REQUEST FOR PLAYS & DIRECTORS*

### **OUR PLAN for Season 57:**

Many of our patrons have been asking us about Season Ticket sales for Season 57. Now that most of our patrons have been vaccinated, we plan to open the season on October 1. Of course, mask requirements are still in force, and theatres are government-restricted to 75% capacity. With that in mind, we are launching season ticket sales in the next few weeks.

We are going ahead with the shows that were slated to open in Season 56 and because of COVID restrictions had to be postponed. Below is a list of the plays, directors, performance dates, audition dates and number of characters in each.

## **OUR PROCESS for Previous Season Ticket Holders:**

If you had a season ticket for Season 55 (2019-2020), then you will be receiving a 'decision email' shortly so you can decide whether you will:

- Renew for the same seat number and night
- Renew, but change to another seat for the same night, or for an available seat on a different night
- Not renew

## **PLEASE DON'T RESPOND TO THIS EMAIL – WAIT FOR THE UPCOMING 'DECISION' EMAIL**

If you opt to renew for your existing or an alternate seat, you will need to come into the theatre on a specific date and pay for your season ticket. In the event you can't come in on the specified date and are willing to provide us with your credit card details, we can do this over the phone with you.

## **OUR PRICING for Season Tickets:**

We are maintaining the same price for a season ticket, 1,300 pesos. This includes 5 plays (normally 300 pesos each) and 1 musical (normally 350 pesos) as well as an annual membership to the theatre (normally 300 pesos). By purchasing a season ticket, you have access to deeply discounted tickets: 100 pesos less for each play and 50 pesos less for the musical. This means an annual savings of 550 pesos on the tickets alone, plus access to our membership benefits, which include free registration to any LLT courses plus free attendance at our Members Nights. You also obtain the right to vote at our Annual General Meeting. All in all, you are getting a package worth 2,150 at a 40% discount!

## **BUT WHAT IF ...?**

We realize that there is still a concern about the COVID 19 Delta variant and the possibility that we will have to cancel a show to ensure the health and safety of our patrons. Should this occur, all season ticket holders will be granted a credit towards their Season 58 subscription package equal to the cost of the cancelled show within the Season 57 package. This credit only applies to shows that are cancelled by LLT and not if you, as a patron, decide not to attend.

**EXCHANGES during the Season:**

Please remember that although you sign up for a specific night and seat when you subscribe, you can always change to a different seat or night if you are precluded from attending your assigned ticket. Of course, this assumes that there is availability to accommodate your request.

**OPEN SEASON TICKET SALES:**

Once patrons who held season tickets for our last season in operation have made their decisions, we will then have season ticket sales open to the general public on August 25 and 26. More details about that will follow closer to the date.
