

That old record Has a message for the clubs

Have you ever tried to put a thing like this together week after week for over 8 years at no cost to anybody... and try and get all the info sent to you by the folks it helps most?... the venues, the musicians, the service clubs, etc., etc? Well I am here to tell you it gets a whole lot of frustrating!

Some of the above have an excuse!... if you can call not hiring your entertainment until less than a few days before the gig an excuse... quite frankly, I wouldn't take the gig because the guys probably not going to pay well either... no advertising... no audience... send the band home... no money! Does that make sense to anyone?

I don't want to leave this on a sour note... [THANKS to all that do!](#)

Live Theatre

We are changing the musical in
our season line-up

Same dates and just as exciting!

February 18-March 1, 2022

A combination of COVID concerns, people not returning Lakeside and a very large - predominantly male - cast have contributed to the fact that we are not in a position to cast Forum, our planned musical for the season.

We have decided to do something else instead: **A Funny Thing Happened on the Way to the Theatre**. While it is still very much in the planning stages, it will be a compendium of songs and dance numbers from past productions, as well as others we've never performed. The dates will remain the same and this will be our musical for Season 57.

We hope that this new format will induce more people to audition and be willing to perform when they understand that they won't need to rehearse with a cast of 18 for 2 months. We will hold a second set of auditions very early in January, after we have a clearer picture of what the new show will look like. Stay tuned for more details!
