

## Why Music?

- I. Music is a Science.
- II. Music is Mathematical.
- III. Music is a Foreign Language.
- IV. Music is History.
- V. Music is Physical Education.
- VI. Music Develops Insight and Demands Research.
- VII. Music is all these things, but most of all,  
Music is Art.

That is why we teach music:  
Not because we expect you to major in music . . .  
Not because we expect you to play or sing all your life . . .  
But so you will be human . . .  
So you will recognize beauty . . .  
So you will be closer to an infinite beyond this world . . .  
So you will have something to cling to . . .  
So you will have more love, more compassion, more  
gentleness, more good –  
in short, more LIFE.

You may not think this way...  
But it may make you understand!

You may not agree with this on first read but think about it... kids that take music seriously will always have it with them when the occasion calls... and there's no perfect time to start music.

I am lucky enough to have started music lessons at 8 years of age and I am still going strong (well, pretty strong) at 79!

# This Random World

by Steven Dietz  
directed by M.A. Bruneau

**DON'T MISS IT... LAST WEEK!!**

**THE BAR WILL BE OPEN ON THE ANGEL TERRACE!**

A charming, intimate meditation on the power of chance and how we might be closer to each other than we'll ever know.

We want to believe that serendipity brings us together, but is that just a myth? Mining the comedy of missed connections, *This Random World* asks the serious question of how often we travel parallel paths through the world without noticing. From an ailing woman who plans one final trip, to her daughter planning one great escape and her son falling prey to a prank gone wrong, this funny, intimate, and heartbreaking play explores the lives that may be happening just out of reach of our own.

### Performance times:

Evenings 7:30 p.m.

Both Saturday and Sunday matinees are 4:00 p.m.

For further details, see [www.lakesidelittletheatre.com](http://www.lakesidelittletheatre.com).

Ailing woman who plans one final trip, to her daughter planning one great escape and her son falling prey to a prank gone wrong, this funny, intimate, and heartbreaking play explores the lives that may be happening just out of reach of our own.
