

**Let's really try to help...
This great guy!**

This is Brandon Jackson and he is presently in the Hospital San Antonio in San Antonio Tlayacapan in very, very bad condition with septicemia... plain language he has "blood poisoning" and it is shutting things down... a very serious condition .

Brandon has worked many of the bars here in a managerial capacity and is very, very popular... especially with his dear Haley Jane! The bills are piling up!

Today (Sunday the 23rd) the Iron Horse had a fundraiser that I attended and with very little notice or promotion Trevor Cates and his staff and friends raised 158,000 Pesos. You can still help this incredible effort by dropping off a cash donation to the Iron Horse and also a prayer for Brandon and Haley will be deeply appreciated too!

Always Have Fun!!
