

Richard Paul Brier

April 9th, 1943 - March 13th, 2022

I woke up this morning to the bad news I have been dreading... my dear friend and bandmate Paul Brier passed away after a hell of a battle with cancer.

Paul was one of the first musicians I met when first down here in 2012 and I got to play with this phenomenal musician for about 10 years with the Lucky Dogs and up to 2 years ago today... The Great American Songbook. Paul also played with The Ajijic Jam Band and mentored young Jonathan Guzman up at La Cima on Wednesday nights.

Music was Paul's life and he did it well... including a music degree from Iowa State University, teaching at the University of Virginia. He had a recording studio in Charlottesville, Virginia as well. He wrote, played and recorded all the music for National Geographic films, played with Jerry Lee Lewis, Fats Domino and Charlie Daniels and more.

His passing leaves many holes in many hearts including his beloved Nancy Brown and his family. Farewell dear friend!

Always Have Fun!!

Friday

Come to the ultra beautiful **La Cima del Copal** up on the cliff on the mountainside of restaurant row just before San Juan Cosala... This is **Soul Train** and they'll be entertaining you between **3:30** and **6:30 PM**... you won't want to miss them!

Hi Everyone...

Many of you know our ex-employee Heidi. She worked with Adelita for many many years and recently had to move to Guadalajara for her son's university.

Well... she recently had an accident and has done considerable damage to her knee. I'm not a doctor so I don't understand all the terms but she tore her meniscus and some ligaments. Beyond the pain she is in she also can't walk very well. The doctors tell her she needs to get a surgery or she risks permanent damage and loss of mobility. Apparently at her new job she has government health insurance - IMSS but it doesn't cover this type of injury. For this reason we are trying to help her raise money for the surgery and recovery, we love Heidi! She is like family to us and we hate to see her suffer and be incapacitated. We are going to hold a fund raising event in Adelita this coming Friday March 18th from 3pm to 6pm. We will have β and food specials! The traficantes as well as Jonathan are donating their musical talents to help the cause!

**Our goal is to cover the surgery \$60,000 pesos and her recovery \$20,000 pesos (time off work, therapy, meds etc)
TOTAL \$80,000 pesos**

**If you would like to donate ANY amount would be greatly appreciated!!!
She has set up a fund account here: <https://www.givesendgo.com/G2X96>**

ALL money goes directly to Heidi, thank you for your support!!!

This is a LIVE EVENT, not a screening, like someone wrote in the Guad Reporter! Also, the playwright/actor will be hosting a talk-back after each show so people can ask him all kinds of questions. We think that the false article has people thinking it's going to be like a National Theatre Live show, which it isn't and we want to make sure people know this. Your email list is massive and really helps.

Message from Collette Clavadetcher of LLT.

Also, while masks are required and people are asked to show proof of one vaccine, people can also attend if they can show a negative COVID test within 24 hours of the show.

It's an award winning play and a unique opportunity to see the play and speak to the playwright about it!
