

Dear Readers and Music Fans... Meet the great Sergio Casas!

We have another task that needs a lot of assistance from our community to handle a problem that could cost us one the finest talents here at Lakeside and further afield.

Sergio has throat problems somewhat the same as you helped Jonathan Guzman out with a few years back... in fact Sergio is seeing the same specialist that brought Jonathan back for your enjoyment. This seems to occur with problems with the molars which has to be seen to first.

I have enough in "the account" at O'Rourke's now to get Sergio up to Guadalajara for an appointment with the specialist at the end of April and for his initial dental work on two molars at Dental Express.

The fundraising for Jonathan was 150,000 Pesos but I would think we should aim for at least 200,000 today... things have gone up as you have noticed!

What I am asking for is donations of 1,000 Pesos (\$50.00 USD), or more if can, and with 1,800+ receiving this e-mail... that should be a task a great group like ours can handle.

Together we helped a group of the top musicians in town with 10,000 Pesos each when the lock-down occurred in the spring of 2020, Jonathan is back sharing his wonderful talent that we saved for him and we have been able to help in a couple of other pretty good things over the years.

The account is set up in my name at O'Rourke's in the Laguna Mall and the number of it is **5057575** and if you just ask Suzy... she will help you. You have my e-mail and my phone number is (376)765-4619... I will do whatever it takes to help you and thereby Sergio!

Thanks a million!!

Francis Dryden

**Background about the work "Inhabiting Michi-Cihualli"
(Excerpts taken from an article written by Patrick O'Heffernan for Shutter16.com)**

Michi-Cihualli is the Goddess of the Lake. She commands the wind and the waves and protects the Riberas, the lands around Lake Chapala. She is also a great reason for people to make music and dance and film and art.

The legend of the Goddess Michi-Cihualli has continued in paintings, murals, songs, and dances, and to this day, she animates the environmental organizations that fight pollution and overdevelopment of the Lake.

Paty Green, a talented young director from the University of Guadalajara, joined with the team at La Cochera to create an experimental film on Michi-Cihualli and a documentary on the making of the film. The Cochera staff built a three-day festival of music, dance, and art around the film's premiere in February, 2022. This is your chance to see that film and be entertained by the accompanying music and dance. The band for the live score (Emelia Galv3z, Eleazar "Chuco" Soto, Miguel Soto, and Juanpi Medeles) worked with the filmmaker to write the score and had recorded much of the music in advance.

The evening presents a live concert, performing the original music of the experimental short film "The Legend of Michi-Cihualli". The actress-dancer Mariajose Medeles, under the choreographic and creative direction of Leonor Zertuche, performs live in a contemporary dance montage to interpret the goddess Michi-Cihualli. Eleazar "Chuco" Soto (who is also a world-class saxophonist) provides his special magic. The director, Paty Green, takes elements from experimental video and re-uses them, re-editing them for a large screen and combines this theatric experience with live musicians and dance.

Tickets for Inhabiting La Michi-Cihualli are 350 pesos – you can purchase them at:

Have a wonderful week and please jump in and give a hand in having Sergio Casas throat problems taken care of. This man has a huge range and along with his band (Traficante Ritmo) gigs does a lot of great single shows which of course he has had to suspend.

Take care and have a great week!

See you somewhere... SOON!
