

The Great Sergio Casas... Needs some assistance!

This is one of the best musicians AND nicest guys I have met in my 67+ years in music... he is also one of the most talented... I love his song Y Volar (and you can see it on You Tube at <https://www.youtube.com/watch?v=8yx22qKa4Z8>) and you can see him live on Monday's at Adelita Bar and Grill in San Antonio Tlayacapan and on Saturday's at Scallions Ajijic Bistro... live and in person.

But Sergio has had to cut back his singing and thereby gigs because of this problem with his vocal chords... it just goes for so many tunes and stops! A few years back when we all got together and helped Jonathan with the same type of problem it was a Godsend believe me but it cannot be done at an IMSS hospital... a specialist is required.

He has already been to see the specialist and although it is serious it may not be as bad as Jonathan's was!... but it is still very serious stuff! Also when the operation is done, he will not be able to perform much and will no doubt require some professional guidance to get back in the groove again... last time this required hiring an opera singer to work with Jonathan for a couple of months. These guys livelihoods are their music... when they can't perform?... No livelihood!

The account is set up in my name at O'Rourke's in the Laguna Mall and the number of it is **5057575** and if you just ask Suzy... she will help you. You have my e-mail and my phone number is (376)765-4619... I will do whatever it takes to help you and thereby Sergio! Thanks a million!!

**ART at LLT
(AJIJIC READERS THEATRE)
CALL FOR DIRECTORS**

Ajijic Readers Theatre (ART) at LLT is about to start our season, which runs June, July and August. We have chosen our plays – and we need directors!

As an ART director, you'll need to select audition sides, manage the auditions, hold 4-6 rehearsals, and be on hand when your play is performed. A member of the ART Committee will help you through the process.

Dates:

Our audition and performance dates are:

Audition

Performance

**May 19 & 20, 10 am -12 noon
June 16 & 17, 10 am – 12 noon
July 14 & 15, 10 am – 12 noon**

**June 17, 18, 19 - 4:00
July 15, 16, 17 - 4:00
August 19, 20, 21 - 4:00**

Plays to Choose From:

The list of plays you can choose from are listed below. A synopsis of each is available at www.lakesidelittletheatre.com.

- * Match by Stephen Belber
Drama: 2 men; 1 woman
- * Three Tall Women by Edward Albee
Drama: 3 women; 1 man (non-speaking role)
- * Four Dogs and a Bone by John Patrick Shanley
Comedy/Dark Comedy: 2 men; 2 women
- * 6 Rms Riv Vu by Bob Randall
Comedy: 2 men; 2 women
- * In the Next Room, or the vibrator play by Sarah Ruhl
Comedy/Drama: 3 men; 4 women

How to Apply

By May 1, request a copy of the script for the one or two plays you're interested in directing, and include with your request a short resume of your directing experience and any dates you may be unavailable. The ART Committee will send you the script(s), along with the complete ART Guidelines.

By May 8, select the play you want to direct and send to the ART Committee at ART@lakesidelittletheatre.com a brief statement disclosing:

- * The play you want to direct – if you have two choices, list preference
- * Why you want to direct the play
- * Any exceptions you feel are necessary to the guidelines in order to fulfill your vision.

The Committee will schedule short Zoom interviews with qualified directors to discuss their vision for the play.

By May 12 the Committee will select directors for the three plays and inform everyone who applied of those who are selected.

Finally! Two years later than planned, we are now going to present our first Mark Boyer 10 Minute Play Festival:

August 4, 5, 6 & 7, 2022

We had an amazing response to our call for playwrights in the spring of 2020, with 18 people submitting a total of 36 plays! We had a panel of three experienced directors, who scored each play. The eight plays with the highest scores were chosen to compete in the Festival. Each play will be performed each day and judged by a panel of adjudicators, as well as asking audiences to vote on People's Choice.

Now we need directors! Have you directed before, either at LLT or another theatre? Would you like to try your hand at directing? In either case, please reply by email (10minuteplays@lakesidelittletheatre.com) before May 16, 2022, describing your qualifications and a brief description of your directing style, and request one or more scripts you'd be interested in directing. Below are brief descriptions of the eight plays. You can direct up to two plays, or direct one and act in another! (Auditions for the various roles will be on June 2 and 3, so mark your calendar!)

THE PITCH

2 Men

THE PITCH

Schlock movie producer Carmine Bocchino desperately needs a hit and brings in his favourite washed-up hack writer, Bennett Evans, to crank out a Martians-meet-werewolves ultra-low-budget spectacular. But his Girl-Friday, spun ky
spitfire Alice Denham, wants her own shot at making movie magic. With an ace up her sleeve from her late but legendary father, can she turn the tables on the crude Carmine and secure her piece of the Hollywood dream?

BORDERLINE

2 Men
1 Woman

Borderline

A three character play concerning the mayor of a tiny Maine town near the Canadian border. The mayor is an ardent American right wing patriot who, during the play, finds out he is not an American. He is actually Canadian, and makes futile efforts to reverse this governmental decision. The two other characters are an ICE agent, male, and his Canadian counterpart, female, who deliver this news to the mayor. "Borderline" requires fine comic timing and nuanced characterizations rather than caricature.

New on the Streets

"New on the Streets" invites the audience into the danger-filled world of Ajijic Street dogs. A fresh faced runaway encounters two seasoned street dogs waiting for bones outside of the Carnicería on the plaza. The newcomer must learn who is friend and who is foe and learn new survival skills, while exploring issues of the longing for freedom, adventure, risk, belonging, and finding home. This play offers the director and actors an opportunity to explore character development through animal movement and mask work.

Estoy Enfermo

A gringo tourist couple rushes into a Lakeside doctor's office, the wife with chest pains. Using a small Spanish to English dictionary the husband insists on mansplaining to the doctor in terrible Spanish what's wrong with his wife. All the while, the wife yelps in pain and begs her husband to just let the doctor check her. The husband persists as the wife concludes she's having a heart attack. Finally, the doctor intervenes.

Ding Dong! The Witch Is Dead!

Join Azalea, Daisy, and Lily as they wait for the Uber driver to take them to their not-so-dear-departed stepmother's funeral. Besides being a nymphomaniac, their Wicked Stepmother was a profligate and cruel woman addicted to cosmetic surgery who hated animals and could have taught graduate-level classes in fat shaming. Don't expect crocodile tears, ululations, or faux mourning, because there won't be any! Just wine, noisemakers, confetti, and the tippity-tappity of dance shoes!

Continued

I Wish

Exhausted, newly divorced Leigh is setting up her new apartment when she accidentally summons Odam, a too-eager-to-please genie who reminds Leigh of her know-it-all ex. Only after many infuriating miscommunications, does Odam finally give Leigh what she wants and needs

To Err Is Human

When the Grim Reaper comes to Amanda's bedroom to take her life and lead her to her just rewards, at first she is shocked and dismayed. Using her charm and intelligence, she gets the Reaper talking about himself and she learns a lot in the process.

Short Cuts

Two estranged sisters meet accidentally, in tragic circumstances. As each re-visits her past, remembering the cruelties she's done to the other that drove them apart, both realize they want to have each other in their lives. Are they forever stuck in their own versions of what happened between them or can they forgive and be family once more?
