

The Great Sergio Casas... Needs some assistance!

This is one of the best musicians AND nicest guys I have met in my 67+ years in music... he is also one of the most talented... I love his song Y Volar (and you can see it on You Tube at <https://www.youtube.com/watch?v=8yx22qKa4Z8>) and you can see him live on Monday's at Adelita Bar and Grill in San Antonio Tlayacapan and on Saturday's at Scallions Ajijic Bistro... live and in person.

But Sergio has had to cut back his singing and thereby gigs because of this problem with his vocal chords... it just goes for so many tunes and stops! A few years back when we all got together and helped Jonathan with the same type of problem it was a Godsend believe me but it cannot be done at an IMSS hospital... a specialist is required.

He has already been to see the specialist and although it is serious it may not be as bad as Jonathan's was!... but it is still very serious stuff! Also when the operation is done, he will not be able to perform much and will no doubt require some professional guidance to get back in the groove again... last time this required hiring an opera singer to work with Jonathan for a couple of months. These guys livelihoods are their music... when they can't perform?... No livelihood!

The account is set up in my name at O'Rourke's in the Laguna Mall and the number of it is **5057575** and if you just ask Suzy... she will help you. You have my e-mail and my phone number is (376)765-4619... I will do whatever it takes to help you and thereby Sergio! Thanks a million!!
