

A few snapshots... Of yours truly!

You know I've been doing this guide as a service to our community for nigh on 10 years now. I inherited SJ Pix from Sally Jo Bartlett with 178 addresses and basically promoting Sally Jo's guy who played outstanding guitar and the live theatre... Sally Jo was on her way to Texas to live.

I got around to a lot of the musicians, clubs, charities, the live theatres and more to get them to e-mail information on their goings on... and the next thing I knew I had a following of readers well over 1,000 and growing weekly. Then I got going with Lake Chapala Guide's web site, added my wife's and picked up 3 more... I thank Rich Birkett, David Cordero, Dan Schaller, Chuck Bolotin for all they have done to get this "little newsletter that grew" to as many people as possible and we now get to a few thousand to let them know as much as possible about what's going on around Lakeside.

All went well up until the Covid thing came along... I am still here but clubs and musicians ('cause the charities are shut down and the Live Theatre has been great) have pretty well stopped sending me ads (a big thanks to the few that still are). Some have sent ads that were to be regular events and don't let me know when they stopped or just stopped sending me stuff.

Many that I offer and have offered this "no-charge-to-anybody" service to send one or two (or never) weeks ads and stop... guess they have all the business (or donors) they can handle!

Long and short... I don't feel I am doing my faithful followers anything when they go out and get there and it is nothing... perhaps I will get another idea or perhaps I'll just shut it down... this is all I have for you this week .. Hope it gets better or I will have to discontinue.

Francis
