**You get old because you stop
playing music.**

**PLAY MUSIC.
STAY YOUNG FOREVER.**

**This is a tough one...
I'm sure the guy that wrote it isn't 80+!**

I'm sure that the person who wrote the above meme hasn't been playing for the years that I have and many others too.

I have the distinct pleasure of playing to back up the great **Jerry Mayfield** this Sunday for his last bow. I haven't been playing much since the Covid stuff started and losing the great **Paul Brier** in March hasn't been helping me at all.

When you reach "the fourth quarter" the heart is still there and the thrill playing for a bunch of people but things you can't control raise their ugly heads... your hearing is going, the hands aren't working so good and a few "creaky" bones and sore muscles don't help either.

But I am looking forward to rehearsal this week, I've got Jerry's song list (if you love country you're going to love this show) and we'll get out there and do our best for you as always... see you Sunday afternoon at 4 PM SHARP!
