

Remember that great musician that gave up??
Neither does anyone else.
When you started playing you couldn't even imagine getting as far as you already have. Don't throw all the effort and hard work away!!

**Imagine what you'll be doing...
When you're 92 years old?**

What a super show! **Jerry Mayfield** wowed a packed house on Sunday afternoon at La Bodega. He was backed up by **Jimmy Baquero** on fiddle and guitar, **Flip Nicholson** on bass, **Gary Trego** on steel guitar and yours truly on drums. We all had a blast... the wonderful crowd had a blast and we're going to try to talk Jerry into another "last performance"!

As I said at the top... can you imagine the fun Jerry provided for us "young guys" and the crowd... lots of great dancers too! Man that was a great and memorable gig!

I had a fellow come up in our break and asked us to do a big gig here in the spring and I said, "We sure as hell can!"

See you somewhere... SOON!

Francis
