**SUPPORT YOUR
LOCAL MUSICIANS
AND MUSIC SCENES**

So you think it is all fun playing music and entertaining?... Think again my friend! A whole lot of practice, moving and setting up equipment, showing up on time for gigs, missing many times with your friends and family because?... I've got a gig.

I have been doing this for more years than a lot of people have lived... I love it but it does get tough some nights.

So why do we do it?... Because it is a huge thrill to entertain you... the public who come out and support local music scenes and here at Lakeside we are blessed with a supreme range of performances... and lots of them.

The other thing about "local music scenes" is that a lot of folks don't realize is that the "big acts" you see didn't all start in Las Vegas, New York, L. A. or Nashville... nope, they started out in some little bar somewhere a long way from the "big time".

There was a young guy that use to hang around a band I was in just over 50 years ago... he was always there to help and loved being around. He was about 15 and had all kinds of health issues... but he never whined or even thought "poor me".

He left that town for big Vancouver and with an awful lot of work (and ability) he is a multi-millionaire, has 100's of recordings and even had a main street in that town named after him... he also has a couple of kids and a loving wife. Nice story!

Francis... see you out somewhere... SOON!

Always Have Fun!!

ENRIQUE DE ALLENDE

World-renowned vocalist, Enrique de Allende, is coming to Ajijic and more specifically, to Lakeside Little Theatre!

Enrique de Allende is one of the most extraordinary singers to grace stages from Budapest to Vallarta. He has played to sold out audiences at Lunario, one of Mexico City's more prestigious stages, and continued with VibratoGrill in Los Angeles to international settings in Budapest, Munich, Slovakia and venues across Europe. World-famous music producer, David Foster, who has trained and produced artists such as Josh Groban and Celine Dion, says this about Enrique. "The interpretations of Enrique de Allende bristle your skin. It is an experience that penetrates your ears and connects you with universal contemporary music, with a romantic, classical style, but with a youthful touch. It's the new Julio Iglesias, with a sweet and powerful voice."

Enrique has a repertoire of classics and popular songs in English, Spanish and Italian. As a versatile artist, he interprets a wide range of music from current Pop, to classic Operatic, to Big Band, to Traditional Mexican Romantic and Mariachi favorites. His song stylings are romantic blends of Andrea Bocelli and Michael Bublé.

Born in San Miguel de Allende, Mexico, Enrique de Allende has been singing and performing from an early age. His extraordinary vocals and heartfelt performances continue to garner fans across the globe. He went on to study with the renowned Seth Riggs and Erik Vitro and is proud of his work with musician/director David Foster.

Local music enthusiasts won't want to miss his fabulous performance, as he plans for a fall performance at Carnegie Hall and his return trip to Europe.

Tickets for Enrique de Allende are 400 pesos – you can get them by:

* Ordering online from the comfort of your home, using your credit card by cutting and pasting this URL into your browser: <https://lltmex.sales.ticketsearch.com/sales/salesevent/91550>

* Visiting the LLT box office one hour before curtain on December 4 (1:30 to 2:30 and 4:30 to 5:30)

You are invited to socialize at our Angel Terrace Bar, which will be open starting one hour before show time.

You are also welcome to meet Enrique on the Angel Terrace following his performance.
