

“Music allows people to get closer to each other. It is a great barrier breaker in our lives. Just think of all the people that are in your life because music brought you together.”

www.musiciansunite.com

And that's the whole truth!

I must say that truer words were never spoken! I've been in music for the last 68 years and have met literally 1,000's of great friends over the years I never would have otherwise have met.

Coming here there was only one guy I knew and he was a business acquaintance, not a music friend... so I went out to the many bars and clubs and met a slew of new friends... all to do with music... guys like Paul Brier, Jay Shuffle, Chelo González, Ron Baker, Sergio Casas and many others. And many of the club and restaurant owners such as Javier González, Carlos Pantoja, Trevor Cates... all here to make you “the audience” happy year in and year out!

Do I love music for the wonderful life it gave me?... You betcha! And all the wonderful people that support the musicians and the many clubs, restaurants, charities!

Lake Chapala *Orchestra*

Hola Orchestra Supporters.

After our successful concerts with Saul Ibarra this past weekend we immediately offered audience members advanced booking to our next concert! Now we want to make booking available to everyone on our mailing list. If you have already responded with ticket reservations you do not have to read any further! However, if you want to secure a seat read on!! I know the concerts are 3 months away but we have already had reservations for 140 tickets which is half the available seats!!

The next concerts are on Friday March 31 and Saturday April 1 at 3pm at Lakeside Presbyterian Church.

We have another exciting program which includes Beethoven's Symphony No. 5 and the Bruch Violin Concerto No.1 featuring Chris Wilshire as our soloist. You do not want to miss this one!

I suggest you get your reservations in to secure your seat. Tickets are \$300. Just send an email to LCCOtickets@gmail.com stating which day and how many tickets. We will have the physical tickets during February and will let you know when and where to pick them up. Remember that this past concert sold out within 5 days of announcing it!

It just remains for me, on behalf of the orchestra, to wish you all the best of the season and a Happy New Year.

We will see you in 2023 for another year of great music!

About the Play

Two cousins and their husbands reconnect after each experiences devastating loss, and they discover that their opposing perspectives help them find peace. Dinah and Bill, a devout, church-going couple from the Midwest are struggling to keep their lives intact after the loss of their daughter. Dinah is compelled to reconnect with her left-leaning cousins in Northern California who're going through their own trials. Jeannette and Neil have lost their home to a wildfire and Neil has cancer. However, they seem to have accepted their situation with astounding good humor, living in a yurt on their burn site and celebrating life with hits of pot and glasses of good red wine. Filled with compassion, honesty, and humor, this play explores the divide between living, dying, and the freedom to decide your own fate.
