music, your life
would suck.**

And That's The Truth!!!

We are so darn lucky here at beautiful Lakeside... Great venues!... Great people!... and Great fun!

Going out here for a great night happens all the time but it all comes true with the entertainment... and we got it all!... all the time!

I had a wonderful run in music but it is kind of looking like after almost 70 years of actually getting paid to play... that it is time to hang 'em up. I have had a great "roadie" to help me by moving my kit but I have been fighting neuropathy for many years and it isn't getting any better... don't think it ever does.

Today (April 9th) is my old bandmate **Jay Shuffle's** birthday and I've been thinking of all the great times we had... but he's in heaven, **Jimmy Barto** is up there with Jay along with the late, great **Paul Brier...** actually when you reach 80, a whole bunch of your friends are there... life doesn't suck but it sure was great to have them all!!
