

**Support music and
musicians every
day, because there
www.musiciansunite.com
isn't a day that goes
by that music isn't
there for you.**

And that's the whole truth and nothin' but the truth!!!

As I have mentioned before, for 20 years (between 1964 and 1984) I played 6 nights a week. I would not take a gig for less than 3 months and actually played one hotel in Edmonton for 22 months!

What do you think happened that you don't see that anymore? In the mid '70's things started to change... people (I won't call them musicians) came along playing for "a couple of beers and tips", DJ's, karaoke, jam sessions, etc.

!

Most of the big clubs that used to be full 6 nights a week not only eventually closed but went bankrupt... buildings were torn down... the music "died".

In that 20 years we had one disasterous couple of days... it dropped down to -40 farenheit (or celsius) but they were back out in a few days... those were the days!

MAMA CLEO'S BOYS HOME

Mama Cleo's Boys Home AC is a local non-profit organization. The home originally started as a family welcoming three boys into their home who needed to know what it was like to be part of a loving family. The home works with the government organization DIF, who identified boys in need in all of Mexico. As a result, the group of boys has grown and the home now provides a loving and safe place for 27 boys.

Thanks to the generous donation of a home purchased for the boys, they can all be safely housed. However, the structure is in dire need of repair, especially to protect the boys from the weather during the rainy season. You can see a list of all that needs to be done for their renovation and repairs and donating directly to the Home, if you wish.

This fundraiser is being held at Lakeside Little Theatre as part of the theatre's community outreach program to help the local population. Please support this event.

Lake Chapala Orchestra

Hello Orchestra Supporters.

As many of you know, my good friend Chris Wilshere, who performed with the orchestra in March, is the artistic director of the Northern Lights Music Festival and the Festival del Lago. The Festival del Lago will take place in Ajijic from July 30 to August 14. With over 50 students arriving in Ajijic from all over the world the Festival is in need of hosts that can billet a student (or 2!) during this 2 week period. The Lake Chapala Orchestra wants to assist the Festival in finding accommodation for all these talented students. Below is a letter to you all, from Chris, outlining the Festival and how you can help by becoming a host. You will only have to provide sleeping accommodation as all the student meals will be at the Festival House.

Please read the letter and consider becoming a host. You will be supporting a wonderful educational experience for these students and contributing to the cultural vibrancy of our community.

With my best regards,

Michael Reason

Artistic Director

Lake Chapala Orchestra

If you are interested in hosting a young student and live within 1-2 kilometres of the Ajijic plaza, please contact Carol-Lee Gordon at festivalhosting@gmail.com as soon as possible so that we know how many students we can accept. The faster we can confirm a host home the better for us.

Students arrive July 30 and Depart August 14.

**Thank you so much for your support and to the wonderful staff and musicians at the LCO.
