MAMA CLEO'S BOYS HOME

Mama Cleo's Boys Home AC is a local non-profit organization. The home originally started as a family welcoming three boys into their home who needed to know what it was like to be part of a loving family. The home works with the government organization DIF, who identified boys in need in all of Mexico. As a result, the group of boys has grown and the home now provides a loving and safe place for 27 boys.

Thanks to the generous donation of a home purchased for the boys, they can all be safely housed. However, the structure is in dire need of repair, especially to protect the boys from the weather during the rainy season. You can see a list of all that needs to be done for their renovation and repairs and donating directly to the Home, if you wish.

This fundraiser is being held at Lakeside Little Theatre as part of the theatre's community outreach program to help the local population. Please support this event.

Another great week for you here at Lakeside and of course a whole lot more coming up... check out Upcoming Events because many of the shows require tickets and/or reservations.

Take care and have a great week!

See you somewhere... SOON!
