really retires, because

you can’t retire from  
who you are.”**

## **And That’s the Truth!!!**

I have not played in about 6 months now and I seriously miss it. I have a few problems that have prompted my inactivity and I am not confident I can overcome them.

Most of those problems were (and are) a result of the many years I have had the privilege of joining great players on the stage and making people happy!

I sometimes wish I listened to my Mom when she use to tell me that I “should have played the flute” instead of packing, setting up, taking down and packing the drums again. The days of playing 6 nights a week are long gone... we’ll see!

### **MAMA CLEO'S BOYS HOME**

Mama Cleo's Boys Home AC is a local non-profit organization. The home originally started as a family welcoming three boys into their home who needed to know what it was like to be part of a loving family. The home works with the government organization DIF, who identified boys in need in all of Mexico. As a result, the group of boys has grown and the home now provides a loving and safe place for 27 boys.

Thanks to the generous donation of a home purchased for the boys, they can all be safely housed. However, the structure is in dire need of repair, especially to protect the boys from the weather during the rainy season. You can see a list of all that needs to be done for their renovation and repairs and donating directly to the Home, if you wish.

This fundraiser is being held at Lakeside Little Theatre as part of the theatre's community outreach program to help the local population. Please support this event.
