

Real musicians
playing
real instruments
www.musiciansunite.com
will NEVER go out
of style.

That's the whole truth...
and nothin' but the truth!

To watch or play with the above is indeed one of the great pleasures of music. Guys and gals that have worked most of their lives practicing and learning are truly a pleasure.

I have had the privilege of playing with literally 1,000's of great players over my 65+ years of playing. You get with the ones that "click" and away you go for some real fun and pleasure... and money too!... hopefully!

I have probably reached the end of my playing days but I see some absolute monster talents out there... so as long as some people keep making instruments and others keep teaching people to play those instruments... we will all live on in bliss listening.

“Bluegrass & Beyond” w/ Jeffree White & Jan Reimers

duo w/ guitar, mandolin & vocals

Tuesdays 11:30am-1:30pm

at the Huerto Cafe; Hidalgo 212 in Riberas del Pilar

Expert mandolinist Jan Reimers has performed weekly at the Huerto for about a year, accompanied by several of the area's best talents; now he joins forces with newcomer multi-instrumentalist Jeffree White, who founded and led bluegrass collective Train River and gypsy jazz group Hot Club of Hawthorne in Portland, OR.

Expect a mix of instrumental & vocal music, with different flavors inspired by David Grisman's "Dawg music", vintage swing, fiddle tunes, beautiful waltzes, some classic rock, and traditional bluegrass with vocal harmonies -- and plenty of lively, hot pickin'!

A vibrant poster for a music event. At the top, the band 'the Iron Horse' is written in a stylized font, with a motorcycle engine graphic between the words. Below the band name is 'Saloon & Garage'. The background is a purple and blue stage scene with a band performing. In the foreground, a person is seen from behind, wearing a blue jacket and a black helmet. Text on the left indicates the date and time: 'Sept Sat 23 8:00 pm'. On the right, it says '80 PESOS COVER'. At the bottom, the event name 'COSMIC MARBLES' is written in large, yellow, bubbly letters, with a planet Saturn graphic behind the word 'MARBLES'.

RED

by John Logan

directed by Dave McIntosh

October 20 - 29, 2023

Starring Brian Fuqua and Wayne Waterman.

As Ken and Rothko paint, they challenge each other to ask big questions about art: what it takes to create it and what its role should be in the world. Set in the 1950s, and based on a series of real events, **Red takes a compelling look at the ever-changing relationship between an artist and his creations.**

**There is no show on Monday, October 23.
Both Saturdays and Sundays are matinees
at 4:00. All other shows start at 7:30.**

Another super week comin' at you! You might want to catch the play at the Bare Stage... Murder on the Orient Express... sounds like another winner!

Take care and have a great week!

See you somewhere... SOON!
