

“The greatest musicians *aren't* the ones that *play the loudest or play the most notes or the flashiest solos.* They are the ones that **play** www.musiciansunite.com **what the music calls for, are team players, and ALWAYS make people *FEEL* something every time they play.”**

Man ain't that the truth!

There are way to many musicians that play what they want to hear OR are capable of playing... and as the old saying goes, “It wouldn't entertain anyone”.

I have had the extreme pleasure to enjoy playing and listening to some great players but then you are faced with players who are not of that ilk... at all.

If it happens where I am “just a listener”, I can turn if off or leave the place that hired this as entertainment... but I feel a whole lot worse if I can't get away from it.

It strikes me as worse when somebody is doing this as loud and not in a place where you can get away from.

I encourage everybody to take up an instrument, learn with time how to play, practice a lot and find a group who loves to please people... not themselves!

Francis

Tuesdays 11:30am-1:30pm

at the Huerto Cafe; *Hidalgo 212 in Riberas del Pilar*

Expert mandolinist Jan Reimers has performed weekly at the Huerto for about a year, accompanied by several of the area's best talents; now he joins forces with newcomer multi-instrumentalist Jeffree White, who founded and led bluegrass collective Train River and gypsy jazz group Hot Club of Hawthorne in Portland, OR.

Expect a mix of instrumental & vocal music, with different flavors inspired by David Grisman's 'Dawg' music, vintage swing, fiddle tunes, beautiful waltzes, some classic rock, and traditional bluegrass with vocal harmonies -- and plenty of lively, hot pickin'!

This year our beneficiary, Cruz Roja Chapala, is expanding their general facilities to better serve our area.

The largest non-profit in our community, Cruz Roja Chapala, is building a new Emergency wing which provides medical assistance for locals and Ex-Pats. The new, larger space will be more efficient and provide important life-saving care. Due to an increase in population, the need for emergency medical care has increased significantly during the past few years.

All local residents know and appreciate the value of the life-saving services that directly affect our lives. A fully operational Cruz Roja can mean the difference between life or death in many cases.

Services provided by Cruz Roja depend on the generosity of our community. Fortunately, the International Cruz Roja Mexicana has agreed to match funds for all donations we raise this year, resulting in your donation going twice as far!
