

**Today I learned about a term
The Cool Shady Tree
called a "glimmer."**

**Which is the opposite of a
trigger. Glimmers are those
moments in your day that
make you feel joy,
happiness, peace, or
gratitude. Once you train
your brain to be on the
lookout for glimmers, these
tiny moments will appear
more and more
- Unknown**

I got this off my friend Lana's FB page!
There are tons of "glimmers" in here for you!
Enjoy your week and the great shows coming!

GOOD
TIME

“Bluegrass & Beyond” w/ Jeffree White & Jan Reimers

duo w/ guitar, mandolin & vocals

Tuesdays noon-2pm

at the Huerto Cafe: Hidalgo 212 in Riberas del Pilar

Expert mandolinist Jan Reimers and multi-instrumentalist Jeffree White share a love of bluegrass, but also much more music than that! They present a variety of instrumental & vocal music, inspired by David Grisman's "Dawg music", vintage swing, fiddle tunes, exotic waltzes, Latin rhythms, some classic rock, and traditional bluegrass with vocal harmonies -- and plenty of lively, hot pickin'!

You can find several videos in a playlist on YouTube (search band name or our names).

Live Theatre

The box office is open on February 24, 25 and 26 from 3:00 to 4:00 before the Opera screening, as well as February 28 and 29 and March 6 and 7 from 10:00 to noon. The box Office is also open one hour before every show.

It's a story as old as humanity: long-buried memories never really stay buried -- and this Freudian "return of the repressed" is the psychological and emotional engine powering Arthur Miller's "The Price," a dramatic master-class in its creation of character and use of symbolism. Stashed away and half-forgotten, an imposing collection of unwanted family furniture must finally be disposed of, as the aging Manhattan brownstone in which it has been stored is slated for demolition. So two estranged brothers are abruptly compelled to confront this mouldering family legacy, somehow 'resolve' its undesired persistence in their lives. But the furniture is the least of their issues. Four outstanding actors under highly experienced co-directors
