

Being a musician:

www.musiciansunite.com

Will take time.

Will take passion.

Will take sacrifice.

Will take creativity.

Will take dedication.

Will take perseverance.

WILL BE ABSOLUTELY WORTH IT ALL!!

Give this some thought...
Both audiences and performers!!!

Some of the special ones of course make huge money and enjoy the fame that goes with it. But there are a lot of those stars that have an awful lot of luck too... believe it!!!

Any “working musician” has put in the effort required to be up on that stage... and if that hasn’t been done... they will not be there long! Love what you do!

That same person has paid the price by putting in the hours of practice and for equipment and lessons.

They have tried to put their own “touch” on the craft and have stuck with it through thick and thin. For the majority it will not pay the big bucks but it will give him the satisfaction of taking an inanimate object and bringing pleasure to many people.

"Bluegrass & Beyond"

w/ Jeffree White & Jan Reimers

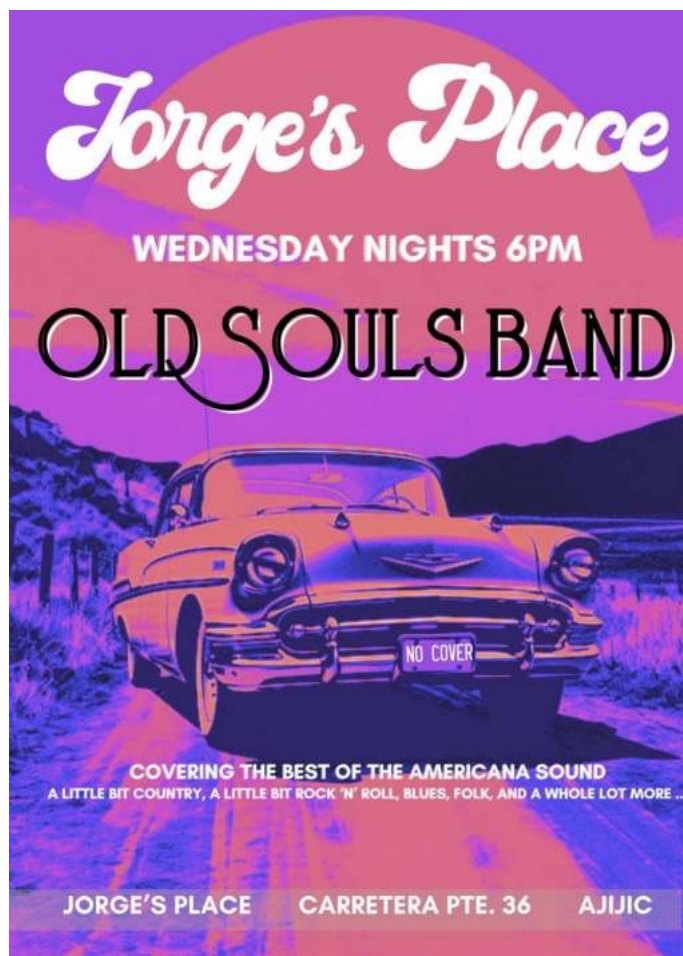

duo w/ guitar, mandolin & vocals
Tuesdays noon-2pm

at the Huerto Cafe: Hidalgo 212 in Riberas del Pilar

Expert mandolinist Jan Reimers and multi-instrumentalist Jeffree White share a love of bluegrass, but also much more music than that! They present a variety of instrumental & vocal music, inspired by David Grisman's "Dawg music", vintage swing, fiddle tunes, exotic waltzes, Latin rhythms, some classic rock, and traditional bluegrass with vocal harmonies -- and plenty of lively, hot pickin'! You can find several videos in a playlist on YouTube (search band name or our names).
