

We're not out of the woods yet... But things are going well!

Whether you know him as "Elmo," the energetic entertainer, or Lorenzo, the dedicated dog walker, Lorenzo Adams, a beloved singer and entertainer in Ajijic, is in dire need of a hip replacement. To make this operation possible, we are seeking to raise US\$9,000. We've made great progress, raising US\$6,500 so far, but we still need your help. Please consider donating through GoFundMe (link attached) or privately. Your contribution, no matter the size, will make a difference. Thank you.

He will be rocking with Traficantes Rock'n'Latin on Saturday at 7 PM at Scallion's Ajijic Bistro and on Sunday with The Romeos on the roof at El Barco starting at 3 PM on Sunday... this will be their last rooftop gig... "just for a little while".

Meanwhile the Go Fund Me is still going at <https://gofundme.com/f/75c00f35> AND the **Keep it LIVE at Lakeside** fund (go to O'Rourke-Lloyd's Bank across from Walmart in the Laguna Mall and make a donation to account number **5057575** that Paul Brier and I started to assist local musicians with medical expenses about 12 years ago.

<https://lltmex.sales.ticketsearch.com/sales/salesevent/146116>

The box office will be open April 30, May 1, 7 and 8 from 10:00 to noon, as well as one hour before each performance of Grand Horizons (May 2-11).

Spanish language play with English subtitles!

Lakeside Little Theatre's community outreach is already underway! We are planning a very special event on May 17 to promote the work of a young Mexican theatre group from Tonalá, not too far from Ajijic. The teens in the program have been chosen to compete in a children's theatre festival in Germany in late June. They will need to raise funds to cover a variety of expenses: passport applications, airline tickets, food while in airports. Luckily the accommodation and food while at the festival are covered by their participation. Please mark your calendars and you can already buy a ticket to one of the two performances by going to our website for the event *Pequeños Creadores*.

If you have any issues using the online ticketing or would like to donate to their cause, reply to this email for assistance and further information. While the production is in Spanish, they will be projecting English subtitles on the screen so that everyone can enjoy the show.

The production is loosely based on the novel "Journey to the Center of the Earth" and is used as an analogy of the development from child to adolescence, with the latter being the center of the earth. Please support these young actors and see what should be a unique show. This is the first time we are using the concept of subtitles for a production, and it is an excellent opportunity for them to make sure that all goes well with an audience prior to their participation in the competition.

You are invited to socialize at our Angel Terrace Bar, which will be open starting one hour before show time.

Here we go again... Hope you all had a great Easter weekend... it was sure busy out on the roads... still drive carefully!

Take care and have a great week!

See you somewhere... SOON!

Francis Dryden
