

“A sign of a great musician is they always seem to be able to bring out the best in other musicians. They help people accentuate their strengths and encourage them to work hard on their weaknesses. Their goal seems to always be to help other musicians up, never putting them down.”

¡Hola Music Lovers!

The orchestra's first concert of our summer series is fast approaching. The concert is on Friday June 13 at 4pm and will take place at St. Andrew's Anglican Church, San Lucas 19, Riberas. The church now has air conditioning!!

The Andromeda String Quartet, all of whom are members of the orchestra, will be featured in the first half playing Borodin's celebrated String Quartet No. 2.

Following the intermission our artistic director, Michael Reason will present his highly acclaimed multimedia talk called "The Universal Power of Music".

We only have 10 tickets remaining and at only \$300 each it represents great value for an afternoon of inspired music making and a thought provoking talk.

The doors will open at 3pm and the church garden will be open for that chilled glass of wine!

Many of you have already made your seat reservations but the remaining tickets can be reserved by emailing LCCOTickets@gmail.com.

We look forward to seeing you there!

This may be a little late today but I got home rather late last night and with the shingles still hanging around... went to bed! Feeling better and have lots of fun... that's what this place is all about!

Take care and have a great week!

See you somewhere... SOON!
