

“Ordinary music can become *extraordinary* when it’s played by the right people. Musical chemistry is such a powerful thing.”

www.musiciansunite.com

And we have a lot of the right people... Right here at Lakeside!

I have had the wonderful opportunity to play in many places all over Canada and the US before coming here to our wonderful Lakeside paradise.

And I have heard and played with many, many real good players over the almost 70 years I did this (I started with my first paying gig in my Dad’s band when I was 12... when on my first tour at 15 (taking correspondence for high school for the good parts of Grades 10 and 11.

In my early 20’s I started playing in my home city in Canada 6 nights a week and did that for 20 years between 1964 and 1984 continuing a lighter schedule up until Covid hit. Then about 2 years ago I “hung ‘em up” and donated my last drum kit to the Prep School in Chapala.

This has been (and probably always will be) a place where there are lots of places to go all year around and you’ll hear a steady stream of really good players... not to mention actors and actresses!
